IP – Control Keypad

15 Tasten Control Keypad

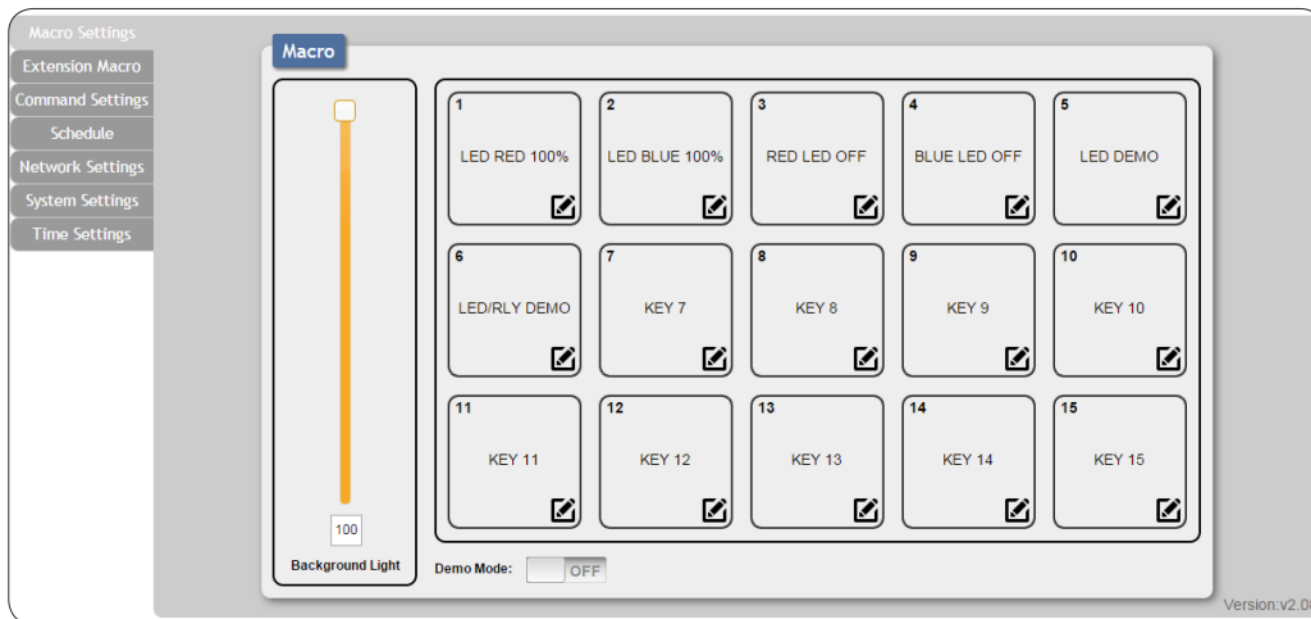

- 15 frei Programmierbare Tasten (148x87x30mm)
- IP Befehle (Telnet/WebGUI)
- 2 Relaisausgänge
- Programmierbar über Weboberfläche
- Makros und Zeitschaltfunktion integriert
- Stromversorgung über POE oder 5V Eingang
- Beschriftungsbogen im Lieferumfang
- RGB beleuchtete Tasten für Rückmeldung

Befehle Programmieren

The screenshot displays the 'Command' configuration page. On the left, a sidebar contains navigation options: Macro Settings, Extension Macro, Command Settings, Schedule, Script, Network Settings, System Settings, and Time Settings. The main area is titled 'Command' and contains a table with columns for 'Command Name', 'Command', 'Edit', and 'Delete'. The table lists 16 commands, all with a '100%' intensity. A red arrow points from the 'Edit' button of the first row to a modal dialog box titled 'Command 1 Edit'. The dialog box contains a 'Command Label' field with the value 'LED RED 1 100%' and a 'Command - Warning:' field with the value 'Will be change lx22'. At the bottom of the dialog are 'Save Change' and 'Cancel' buttons. The version 'Version: V0.0' is visible in the bottom right corner of the interface.

Command Name	Command	Edit	Delete
LED RED 1 100%	LEDRED 1 100w0d\lx0a	Edit	Remove
LED RED 2 100%	LEDRED 2 100w0d\lx0a	Edit	Remove
LED RED 3 100%	LEDRED 3 100w0d\lx0a	Edit	Remove
LED RED 4 100%	LEDRED 4 100w0d\lx0a	Edit	Remove
LED RED 5 100%	LEDRED 5 100w0d\lx0a	Edit	Remove
LED RED 6 100%	LEDRED 6 100w0d\lx0a	Edit	Remove
LED RED 7 100%		Edit	Remove
LED RED 8 100%		Edit	Remove
LED RED 9 100%		Edit	Remove
LED RED 10 100%		Edit	Remove
LED RED 11 100%		Edit	Remove
LED RED 12 100%		Edit	Remove
LED RED 13 100%		Edit	Remove
LED RED 14 100%		Edit	Remove
LED RED 15 100%		Edit	Remove
LED BLUE 1 100%		Edit	Remove

Makros Programmieren

Makros Programmieren

The screenshot displays the 'Macro Settings' interface. On the left, a sidebar lists various settings: Macro Settings, Extension Macro, Command Settings, Schedule, Network Settings, System Settings, and Time Settings. The main area is titled 'Macro' and features a vertical slider for 'Background Light' set to 100, and a 'Demo Mode' toggle set to 'OFF'. A grid of macro commands is visible, with 'Macro 1 - LED RED 100%' selected. A red arrow points from this selection to a detailed 'Macro 1 Edit' window.

The 'Macro 1 Edit' window shows the following table of macro commands:

Command Name	Interface	Param 1	Param 2	Delay(ms)			
LED RED 1 100%	SysCMD	-	-	500			
LED RED 2 100%	SysCMD	-	-	500	↑	↓	
LED RED 3 100%	SysCMD	-	-	500	↑	↓	
LED RED 4 100%	SysCMD	-	-	500	↑	↓	
LED RED 5 100%	SysCMD	-	-	500	↑	↓	
LED RED 6 100%	SysCMD	-	-	500	↑	↓	
LED RED 7 100%	SysCMD	-	-	500	↑	↓	
LED RED 8 100%	SysCMD	-	-	500	↑	↓	
LED RED 9 100%	SysCMD	-	-	500	↑	↓	
LED RED 10 100%	SysCMD	-	-	500	↑	↓	
LED RED 11 100%	SysCMD	-	-	500	↑	↓	
LED RED 12 100%	SysCMD	-	-	500	↑	↓	
LED RED 13 100%	SysCMD	-	-	500	↑	↓	
LED RED 14 100%	SysCMD	-	-	500	↑	↓	
LED RED 15 100%	SysCMD	-	-	500	↑	↓	

At the bottom of the 'Macro 1 Edit' window, there are 'Add', 'Save Change', and 'Cancel' buttons.
