Essential PTZ Camera Controller over IP

The Avonic CON200-IP is a compact PTZ camera controller with a 4D joystick, 3" LCD preview and PoE. Supporting VISCA over IP/TCP and ONVIF, it delivers smooth multi-camera operation in classrooms, meeting rooms and live events. Customizable function keys, back-lit silicone buttons and a built-in web UI make it an intuitive, reliable choice for everyday professional use.

Features

- Precision PTZ joystick
- 4 Customizable nobs
- 3" color LCD with real-time preview via RTSP

- Remote camera OSD/menu control
- Built-in web UI for configuration and firmware updates
- supports VISCA over IP/TCP and ONVIF
